

London Youth Games

Fencing, 14th June 2015

For full details follow this link:

Note that entries are via each London Borough. The entries will go to a Team Manager for each borough. The Team Manager will ensure that selection is fair and open to all, regardless of clubs etc. In some boroughs there might be a selection round but this is left to team managers.

The event is mixed foil only (no epee or sabre). There are two age categories, as detailed in the rules linked from the full details (see above).

For the Kingston teams, the Team Manager is Peter Mallory. Referees are also needed.

For other Boroughs contact your local sports council to find who your team manager is (and please also inform Ian de Whalley so that a helpful list can be added here...thanks).
